

Information about unprincipled and false representations, false accusations of misinformation and irresponsible behavior towards the institution of BSPK from Ndue Kalaj

Prishtina, 6 March 2012- The false and distorted facts that stated Ndue Kalaj on public table on 21.02.2012 at Hotel "Pristina" and 29.02.2012 at Hotel "Sirius" in Pristina, that (according to our knowledge) without prior consent of the official positions of the respective bodies of the entity which represents the quality of the President of SPAK the Presidency of BSPK express indignation informing as follows:

In accordance with the statute of BSPK and all juridical norms in Gjakova 02.11.2011 was held the VI extraordinary Congress, which was monitored by the authorized representative of ITUC World Trade Unions and representatives from the Ministry of Labor and Social Welfare.

In accordance with Article 39 of the Statute of BSPK and Article 11 of the Law on Trade Union Organization, the Congress was attended eight (8) Trade Union Federation:

Federal Union of Health (FSSHK)
Independent Union of Jurisprudence of Kosovo (SPJK)
Independent Union Agrokompleks of Kosovo (SPAgK)
Independent Union of Construction and design of Kosovo (SPNPK)
Independent Trade Union of Miner -Trepca (SPM)
Federation of Trade Union of Metallurgy and Chemical Industry of Kosovo (FSMIKK)
Independent Trade Union of Kosovo Correctional Service (SPHKK)
Independent Trade Union Customs of Kosovo (SPDK)
Women's Network (RrgSK)

In this Congress, as an observer capacity participated:

Independent Union of Forestry and Wood Industry of Kosovo, and as a guest were present:

Independent Education Union of Gjakova
Independent Union of Police Gjakova
Independent Union Administration Gjakova
Independent Union of Gjakova Municipal Activities

Therefore remains in the consciousness of - Ndue Kalaj, a deliberate intention on the scheduling of meeting the leadership of SPAK on the day of the congress.

It is known (because of publicly stated) that Ndue Kalaj aimed for the post of President of BSPK, something that nobody is against his will, but the statutory and legal rules exist that must be met prior by each candidate.

For information, even in the V-regular Congress of BSPK not responded to the invitation to participate Trade Union of Metal led by Hassan Abasi and Izet Mustafa from SPEK they refused payment because the membership fee union, what also did not meet statutory and legal obligations.

Also for non compliance with Article 9 of the Statute of BSPK in congress did not have the right to attend those unions that failed to comply with statutory norms and the Law on Trade Union Organization, which states explicitly that subjects accede to the confederation BSPK respectively as members, who for three consecutive months are not paying affiliation of its members (because they automatically go into observer status).

According to statute, organs issued from the VI Congress of the extraordinary and the decisions taken at this Congress, including the election of Mr. President. Haxhi Arifi, have recognized and supported the ITUC, made available through an official letter signed by General Secretary Sharan Burrow which this letter was also send state institutions ok Kosovo.

Even after VI Congress, BSPK is legitimate participant in social and economic partnership and all relevant bodies with full rights, while Ndue Kalaj without any base trying to tarnish BSPK bodies with sayings:

Chosen people at the top of BSPK are not legitimate",
- "BSPK leaders have misused BSPK statute and Congress"
- "Leaders are under the influence of politics" etc.. etc..

So obviously, Ndue Kalaj instead of contribute unity of BSPK, he presents and give suggestions to destabilize and destroy public and subject to this union, which goes against all moral and legal norms of the Trade Union Confederation and interests wide membership, therefore BSPK Presidency suggests SPAK bodies in accordance with legal acts shall take appropriate measures against Ndue Kalaj associated with the misuse of the position of president of this union entity.

Brussels, 19 December 2011

Dear President,

I am addressing you to express our deep concern at the latest developments in the BSPK (Union of Independent Trade Unions of Kosovo) where certain structures are attempting to take over the organisation which is our member. I would like to clearly confirm that the ITUC fully recognises the legitimacy of the VI congress of BSPK, held on 2 December 2011 in Gjakova, we accept all the decisions of the congress including the election of Mr. Haxhi Arifi as president of the organisation and on that basis we support BSPK as the true representative of the working people of Kosovo and our member union.

We believe that developing a stable and efficient labour relations system in Kosovo is in the best interests of the country and the working people and to these we will continue our efforts to help BSPK contribute to the process in the best ways appropriate.

Yours sincerely,

General Secretary
