For: Sharan Burrow, ITUC Secretary General

Dear Sharan,

We have received with great sadness the death of our dear friend and Brother Grigor Gradev. We were honored to know him and work closely with him. Our brother Grigor was a great expert and supporter of trade union movement but among all he was a great friend and a good man. We will miss him a lot in professional filed and we will miss more his human and friendly attitude.

In the name of the BSPK, we would like to express our sincere condolences to his family, friends and colleagues!

Haxhi Arifi,

President of the BSPK
