

Labor Law

Pristina, November 5 2010 - Members of the Assembly, on 3 November 2010, gave the green light to Labor Law.

This law was a priority and long-standing demand of the Union of Independent Trade Unions of Kosovo, as the representative of the employees and the articulation of their demands.

By organizing meetings and conferences, articles and various publications about the of labor law, concrete proposals for amendments to the Working Draft, and in close cooperation with civil society organizations,

BSPK has given its contribution and cooperation for these Labor Law. For the first time in an independent Kosovo, Kosovar employees have a labor laws by its Kosovars.

During the procedure of amending it, the Union of Independent Trade Unions of Kosovo has proposed 26 amendments, of which 19 were approved.

In this case BSPK s like to thank all those who in various forms have contributed to the drafting and approval of the Labor Law, and hopes the entry into force, eventually regulate the rights and obligations of employment.
